TEVA is a private independent company that provides a complete range of condition monitoring services and products. With customers in power, pulp & paper, chemical, pharmaceutical, defence, food and mining throughout UK, Europe and the Middle East.

TEVA is committed to leading the industry in minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Minimise toxic emissions through the selection and use of its fleet and the source of its power requirement.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Source and promote a product range to minimise the environmental impact of both production and distribution.
- Strive to achieve ISO14001 Status.
